

Dear Friends

Many thanks for all your support throughout 2014 and particularly in the last few months when we have been working closely with St Anselm's College in Birkenhead to ship out vital medical supplies to Makeni at a time when the international community was slow to respond.

Please take a moment to remember Sister Mary and all her team in Makeni who are working hard to raise the spirits of those who have been so badly affected by the Ebola virus. Despite the cancellation of all Christmas and New Year public celebrations they have tried to meet with as many families as possible to distribute Christmas gift boxes to the children. They could not have done that without your support.

If you would like to help in any way with our ongoing response to the Ebola crisis in Sierra Leone just contact me or email: forthehearingimpaired@gmail.com. The work will continue in the New Year so if you would like to contribute to the work of Sister Mary please go to www.virginmoneygiving.com/team/ebola4

All good wishes for Christmas and the New Year from Linda Freestone (Chair) and all the trustees
