

Twin your toilet!

Have you ever wanted an exciting way to support St Joseph's School and its work?

We are looking for individuals, businesses, church groups or schools who would like to 'twin their toilet' with one in Sierra Leone.

It's a great way to see the impact of your fundraising – and make a real difference to the school's facilities.

How it works

It's very simple - get together with friends, family or your local community or workplace, and raise the minimum donation of £150 needed for a toilet!

You could have a non-uniform/wear what you want to work day, hold a coffee morning or take on a sponsored challenge. Please do get in contact if you need some more ideas for fundraising or have any questions!

After you've donated, we will arrange for a hand carved sign with your name or group name to be put on the door of your school toilet in Sierra Leone, and will send a lovely photograph of it out to you, so you can display it somewhere prominent and show people what their donations have done!

For more information, call us on 07570719895, or email us at forthehearingimpaired@gmail.com
